

hanit® CHILDREN'S BENCH PIPPOLINO

The cheerful bench to play with

It is of course possible to sit still on this bench – but which child does! It is much more fun to draw on the bench. "Pippolino" even has a face to colour on (the chalk can easily be washed off). When toddlers become "wobbly teeth-kids", this bench will still be with them. They grow together, as the bench is adjustable in height.
